

TFC Food Services

Creative Food Solutions

FOOD PROCESSING INDUSTRY

TFC Food Services has over 20 years experience in the food industry. We carry out creative and flexible New Product Development for all sizes

of food processing clients.

- New product research
- Recipe origination and product development
- Food product range extensions and new sectors trailed
- Product concept and prototypes, research into customer trends.
- Serving suggestions and end user extensions; copy for labelling purposes
- Food styling for photography - pack shots, point of sale and advertising/editorials.
- Recipe development and experimentation within customer parameters, ingredient sourcing, suggestions and trials,

TFC will take your new product from concept to factory production procedure.

FOOD PROMOTIONS & DEVELOPMENT

Point of sale brochures and product leaflets

designed and produced including original food photography. Trade directories and databases constructed.

Press releases, editorial and advertising features. Food Styling for photography a speciality. Food studio and dark room available on site at TFC.

Promotional presentations to your clients at our modern office suite and development kitchens or at your stand at trade fairs and exhibitions.

We have in-depth experience of marketing work and of producing and writing cookery books.

FOOD TOURISM

TFC training and business advice meets the needs of your customers. We aim to inspire tourism businesses to greater quality standards, to meet emerging customer demands with professionalism and to compete successfully.

With a mobile demonstration kitchen we deliver a range of interactive and practical hospitality and culinary training at any venue. From Better Breakfasts or Sumptuous Seafood, REHIS Food Hygiene to Menu Costing and Table Service Skills. Through our hospitality Mystery Guest services we work

with your Quality Control systems. Hospitality Business Advice enquiries receive our experienced and knowledgeable personal attention.

FOOD PUBLICITY

Promotional food events and project management such as the Borders Banquet and the Best Eating Place Competition. Food Tourism research projects and regional development initiatives.

BORDERS

BANQUET

Local food and cookery promotions in print and on live radio - making sure you reach your markets effectively.

The promotion of local food and drink is a passion for us at TFC.
